Hello Trajan Wealth Employee,

By way of introduction, my name is Joshua Chappell. My intent is to apply for the Sr. Paid Social Media Campaign Strategist position at Trajan Wealth. I feel I have a lot of immediate value I can bring to your organization.

Your team needs short-form creative that works as both organic content and paid inventory. At Charter One I created and led a video initiative that raised click-through rates (CTR) for running ads by over 200%, and I led video initiatives that drove paid and organic engagement by over 100%. For my own company, I generated leads through running Facebook ads and integrated call-to-action (CTA) elements on site with the Facebook pixel to monitor ad performance. I hold a Master's in Marketing with a Marketing Analytics specialization and a Google Digital Marketing & E-Commerce certificate.

You bring every part of a client's financial life under one roof. I work the same way on creative: I script, shoot, and edit video, from short-form Reels to YouTube. At Charter One I created and led a social media content initiative that drove more than 20x the engagement of normal content initiatives, and at Grand Canyon Education I delivered 200+ videos over two years reaching millions on TV, paid social, and organic channels.

I appreciate that you value marketing that is bold, human, and built for impact and to serve; these are all values that I strive to emulate.

Thank you for taking the time out of your busy day to read my letter. I look forward to the opportunity of doing an interview with you.

Sincerely,
Joshua Chappell
