Hello Omni Advertising Employee,

By way of introduction, my name is Joshua Chappell. My intent is to apply for the Regional Automotive Video Editor at Omni Advertising. I feel I have a lot of immediate value I can bring to your organization.

You drive sales for auto dealers with full-funnel campaigns, and I edit high-quality broadcast and digital content at a fast pace. At Grand Canyon Education, I delivered 200+ videos that reached millions on TV, paid social, and organic channels, including an alumni campaign shown during NCAA basketball games. I am an expert in Adobe Premiere, After Effects, and motion graphics, and I use AI workflows that cut production times in half. I know how to balance strong storytelling with the fast turnarounds your dealer campaigns demand.

I appreciate that you value creativity and collaboration; these are all values that I strive to emulate.

Thank you for taking the time out of your busy day to read my letter. I look forward to the opportunity of doing an interview with you.

Sincerely,
Joshua Chappell
