Hello Edward Jones Employee,

By way of introduction, my name is Joshua Chappell. My intent is to apply for the Financial Advisor position at Edward Jones. I feel I have a lot of immediate value I can bring to your organization.

Your advisors build their practices one trusted relationship at a time. That is how I built my own company. For six years I ran Lightbox Digital: I generated my own leads, earned business from realtors, home developers, and CEOs, and held 5.0-star reviews for over a full year. I set revenue goals, tracked my finances, and hit my numbers, because no one paid me if I did not. I also hold a Master's in Marketing with a specialization in analytics, so I bring both the people skills and the data discipline this work demands.

I appreciate that you value serving clients through personal relationships and doing right by people; these are all values that I strive to emulate.

Thank you for taking the time out of your busy day to read my letter. I look forward to the opportunity of doing an interview with you.

Sincerely,
Joshua Chappell
