Hello [Company] Employee,

By way of introduction, my name is Joshua Chappell. My intent is to apply for the Insurance Representative at [Company]. I feel I have a lot of immediate value I can bring to your organization.

This role rewards people who set high goals and work their plan without close supervision. That is how I have worked for six years as the owner of Lightbox Digital. I generated my own leads, built lasting relationships with realtors, home developers, and executives, and held 5.0-star reviews for over a full year. I set revenue goals, tracked my numbers weekly, and followed through. I also hold a Master's in Marketing, so I can build and execute the kind of marketing plan this position calls for.

I appreciate that you value high goals, persistence, and professional communication; these are all values that I strive to emulate.

Thank you for taking the time out of your busy day to read my letter. I look forward to the opportunity of doing an interview with you.

Sincerely,
Joshua Chappell
