Hello Valleywise Health Employee,

By way of introduction, my name is Joshua Chappell. My intent is to apply for the Sr Multi Media Specialist at Valleywise Health. I feel I have a lot of immediate value I can bring to your organization.

Your team produces media that educates patients, staff, and the public. That is the kind of work I do best. At Grand Canyon Education, I produced content for healthcare professionals and delivered 200+ videos over two years that reached millions on TV, paid social, and organic channels. Today at Charter One, I lead video and photography for a school network, where my work drove engagement up over 100%. I handle every stage of production — filming, lighting, editing, color, photography, and design — and I manage gear, budgets, and asset libraries with care.

Thank you for taking the time out of your busy day to read my letter. I look forward to the opportunity of doing an interview with you.

Sincerely,
Joshua Chappell
