Hello Rico Roofing Employee,

By way of introduction, my name is Joshua Chappell. My intent is to apply for the Experienced Roofing Sales Representative at Rico Roofing. I feel I have a lot of immediate value I can bring to your organization.

Your model puts a rep in a homeowner's living room with a real appointment. What happens in that room decides the sale, and that room is where I have worked for six years. I met homeowners on site to film model homes with Blandford Homes, photographed properties for realtors, and built lasting relationships with home developers and construction companies. I earned 5.0-star reviews for over a full year and delivered 98% of projects on time. Homeowners buy from someone they trust, and they refer the one who follows through.

Roofing would be a new product for me. Presenting to homeowners is not. I live in Mesa, so your customers are my neighbors, and I already speak the language of the trades. I also bring a Master's in Marketing and a decade behind a camera, so the reviews, referrals, and content that help a roofing company stand out are work I can contribute beyond my own numbers.

I appreciate that you value confident closers, professional presentation, and real solutions for homeowners; these are all values that I strive to emulate.

Thank you for taking the time out of your busy day to read my letter. I look forward to the opportunity of doing an interview with you.

Sincerely,
Joshua Chappell
