JOSHUA CHAPPELL

Mesa, AZ • 480-586-7959 • jchappellmedia@gmail.com

Reel • Portfolio • LinkedIn

Editor who takes a project from raw footage to finished delivery without handing it off. Seven-plus years of finding the story in the cut, grading in DaVinci Resolve, cleaning and mixing audio, and building motion graphics. Rebuilt a grading pipeline to run 3x faster, with 98% of projects delivered on time.

EXPERIENCE

Lightbox Digital, Owner / Editor — Glendale, AZ | Sep 2019 - Present

- Carried every client project from ingest and organization through grade, mix, revisions, export, and final delivery with no supervision.
- Color graded log footage in DaVinci Resolve; cleaned dialogue and built sound in Adobe Audition; architected motion graphics in After Effects.
- Cut technically detailed product and industrial work, including construction, trades, and a brand documentary on how a remodeler cares for veterans.
- Managed media and versions in Frame.io and Dropbox, cutting retrieval time over 50%, and built a storyboard and review process that halved revision rounds.

Arizona State Legislature, Video Producer — Phoenix, AZ | Feb 2025 - June 2025

- Rebuilt color grading workflows to run 3x faster in DaVinci Resolve using log and wide-gamut camera originals.
- Edited and finished political spots in Adobe Premiere Pro under daily deadline, including work featuring the AZ Speaker of the House.
- Coordinated with Communications teams across chambers to hit delivery windows.

Grand Canyon Education, Videographer / Editor — Phoenix, AZ | Oct 2021 - Oct 2023

- Delivered 200+ finished videos over two years inside one of the largest marketing agencies in the country.
- Cut and exported to multiple delivery specs across broadcast, paid social, and organic channels.
- Architected the online stock footage library and managed assets across a 15-person media team.
- Took direct creative feedback from stakeholders with competing priorities and turned it into approved cuts.

Charter One, Media Specialist — Mesa, AZ | 2025 - Present

- Run concurrent projects and revision cycles against fixed publish dates across every school channel.
- Cut social content that earned more than 20x the engagement of standard content and raised ad click-through by over 200%.
