Hello Rico Roofing Employee,

By way of introduction, my name is Joshua Chappell. My intent is to apply for the Experienced Roofing Sales Representative at Rico Roofing. I feel I have a lot of immediate value I can bring to your organization.

I have not sold roofs, and I want to be straight about that. What I have done for six years is sit across from homeowners and earn the job. I ran my own company, met people in their homes to film model homes with Blandford Homes and photograph properties for realtors, and built lasting relationships with home developers and construction companies. I held 5.0-star reviews for over a full year, which came from doing what I said I would do. I live in Mesa, I know your customers, and I close because my income has always depended on it.

I appreciate that you value confident closers, professional presentation, and real solutions for homeowners; these are all values that I strive to emulate.

Thank you for taking the time out of your busy day to read my letter. I look forward to the opportunity of doing an interview with you.

Sincerely,
Joshua Chappell
